Dr. Winn completed her undergraduate work at Middle Tennessee State University and graduate work at Tennessee State University. ### THE DISTRICT CONFERENCE: AN OPPORTUNITY NOT TO BE MISSED

The Annual Conference is without a doubt the most important meeting held in each district. It's a very special event meant to be the highlight of the year in the district not just for club presidents and districts officers but for all of the district's Rotarians.

It is a time to renew old friendships and make new ones, to showcase and celebrate successful projects and to recognize the outstanding personal contributions made by club and district leaders. Perhaps most important the district conference affords an opportunity for Rotarians to "recharge their batteries" and renew their commitment to service.

The district conference is a place where Rotary information flows freely and participants come away with a greater appreciation of the work of Rotary and the value of their membership in the organization.

### Four-Way Test of the things we think, say or do

- ~First, is it the TRUTH?
- ~Second, is it FAIR to all concerned?
- ~Third, will it build GOODWILL and BETTER FRIENDSHIPS?
- ~Fourth, will it be BENEFICIAL to all concerned?

### Rotary disburses first US\$40 million from Gates Foundation grant

Nine countries and two World Health Organization regions have received The Rotary Foundation's first distribution from the Bill & Melinda Gates Foundation's \$100 million challenge grant for polio eradication. Made in January, the US\$40 million disbursement is being used by WHO and UNICEF to carry out immunization activities in the four remaining polio-endemic countries — Afghanistan, India, Nigeria, and Pakistan — plus five others where "imported" polio cases have been reported. Surveillance and technical support are also being funded in WHO's African and Eastern Mediterranean regions.

**THE ROTARY FOUNDATION OF ROTARY INTERNATIONAL – EVERY ROTARIAN EVERY YEAR CAMPAIGN:**

Each year, people in the United States spend a portion of their money on snack foods (\$18 billion), candy (\$24 billion), ice cream (\$20 billion), cosmetics (\$30 billion), pet products (\$31 billion), weight-control products (\$33 billion), beer (\$45 billion), soft drinks (\$60 billion), fast food (\$103 billion), and legal gambling (\$550 billion). Together, these items total \$914 billion in spending. According to UNICEF and the World Bank, it would take about \$28 billion a year to end malnutrition, immunize all children against preventable diseases, and end illiteracy across the globe.

Our Rotary Foundation of Rotary International committee is asking **EVERY NASHVILLE ROTARIAN** to contribute a **minimum of \$100 through the "Every Rotarian Every Year" campaign.**

For those who are within reach, consider a larger contribution that will move you to the Paul Harris Fellow status (a total contribution of \$1,000). Please be a part of the campaign even if you are already a Paul Harris Fellow. Every member of the Nashville Rotary Club should be in a position to contribute the minimum \$100 each year.

**REMEMBER:** Make check **PAYABLE TO ROTARY FOUNDATION OF ROTARY INTERNATIONAL** (we are unable to process checks for this contribution if they are made payable to our club) and mail to: Rotary Club of Nashville, P.O. Box 110102, Nashville, TN 37222-0102.

The Rotary Office will send your check along with the proper form to Rotary International.
