

Upward Mobility: Why Titles Matter

by

Saletta A. Holloway, Ed.D.

“When we are no longer able to change a situation – we are challenged to change ourselves.”

Viktor E. Frankl

What is your title?

Does it fit who you are?

Does it fit what you do?

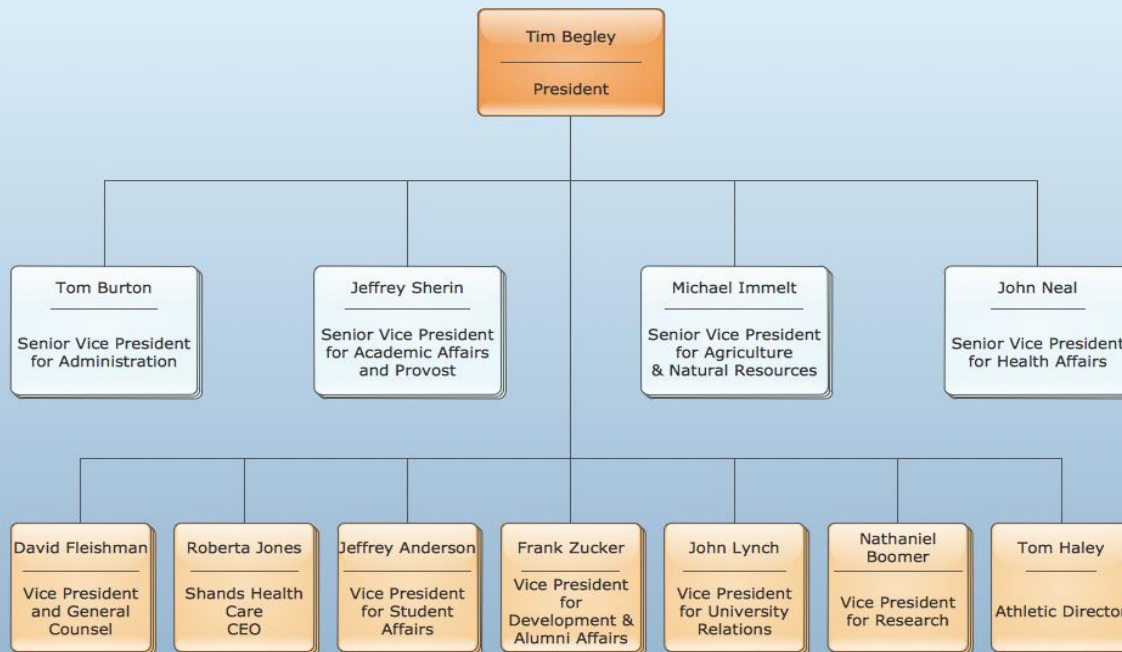

**Will it take you where
you want to go?**

"Start where you are. Use what you have. Do what you can."

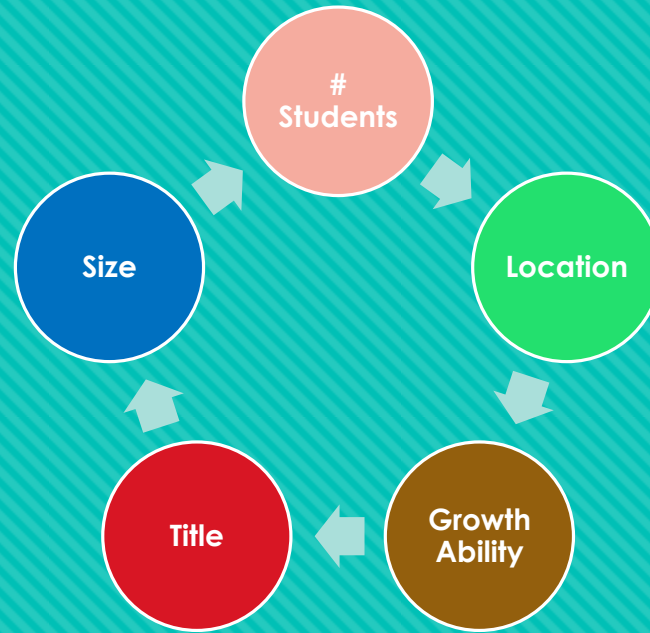

Arthur Ashe

"The secret of getting ahead is getting started."
Mark Twain

University Organization Chart

How do I know if it “fit”?

"I know where I'm going and I know the truth, and I don't have to be what you want me to be. I'm free to be what I want."

Muhammad Ali

"There is only one corner of the universe you can be certain of improving, and that's your own self."

Aldous Huxley

Where are you going?

Let's tell the truth!

- What?
- How?
- Who?

"No man has a good enough memory to be a successful liar."

Abraham Lincoln

Next Steps?

"I truly believe that everything that we do and everyone that we meet is put in our path for a purpose. There are no accidents; we're all teachers – if we're willing to pay attention to the lessons we learn, trust our positive instincts and not be afraid to take risks or wait for some miracle to come knocking at our door."
